Conference on Legal Knowledge Management

08-09 SEPTEMBER, 2011
HOTEL SEA PRINCESS, MUMBAI

2nd Edition

An interactive, comprehensive and thoughts generating forum for leveraging on existing intellectual and information capital for legal professionals and teams.

While we covered **WHAT** in the 1st edition of the conference, this year we present to you expert thoughts on **HOW** Legal Knowledge Management should be exercised!

| **Over 30 Industry Experts as Speakers** | **Power Packed Panel Discussions** |
| **Interactive Sessions** | **Knowledge Café Session** | **Excellent Networking Platform** |
| **Opportunity to Showcase Yourself & Your Company** |

Knowledge management is core to the efficient functioning. Legal positions keep changing by way of newer legislation and judgments. Whether a large law firm, solo practitioner, in-house counsel or a lawyer in the public sector, knowledge management is about relating knowledge with practice and leveraging that knowledge to achieve your business objectives.

This interactive forum is for the all those in the legal community who would like to develop, promote and maintain a knowledge sharing culture and most importantly learn the **KNOW HOW** aspects of Legal Knowledge Management.
